

# Notes for the ACC!

October 2, 2019

## What a Great Group

I was so impressed with those of you at rehearsal last Sunday. It was wonderful starting rehearsals, seeing friendly faces, and getting to know new friends. It was the community you shared with each other and as a group as we practiced and made progress on the choruses we worked on I couldn't help but think what a wonderful group you are. We look forward to seeing the rest of you this Sunday. IF YOU ARE NEW! NO worries. You will get it.

## October 6<sup>th</sup>

We will work on new choruses. If you have time to practice, look at our website. Go to 'Practice Tips.' Click on it and you can hear the part you sing on each chorus. I am thinking **His Yoke is Easy, Their Sound is Gone Out, Let Us Break Their Bonds,** All are possibilities for this year.

## BELK SING

**We sing at Belk on Saturday 11/9 at 8:00 a.m.** For those that have done this you know how much fun it is. We will sing familiar choruses from Messiah and then another carol. This may seem like a long way away but we all know these things are planned way in advance. So check your calendars.

Warm up – 7:30 Sing – 8:00 Gone by 8:25. Look at your calendar and sign up Sunday to sing.

## TShirts We have just 1 left.

If there are as many as 15 of you that want one, we can check on them. It would be a couple of weeks before they are in but then you would have them. LET TAMMY know Sunday and give her your size. Probably \$15.

## **WHAT DOES YOUR DOG THINK?**

Please be at every rehearsal you possibly can. You have to be out sometimes but the more we are all there the better we will be. I heard someone say, **"I'd like to be the kind of person my dog thinks I am."** Now if you don't have a dog, just pretend of course. When we work on certain spots and learn new things, and you're not there, you miss out on what we are doing, right? If you know it well, you help those who don't. If you don't know it well then of course you need to be there.

## **Parking – A great challenge to have. That means the church is growing.**

There are about 40 parking spots from the choir room down to the end and around the corner from the choir room. If you are really in good shape and get your steps in (or need to) park across the small street in the church parking lot and jog across. But 40 cars can park there close to the choir room. The door to the building is open at the end of the building. You can come in at the end of the building and walk down the hall to practice. We can do it. So happy for the church and their new addition.
