

## ALABAMA CIVIC CHORALE 2019 #2 Just Notes!!! 😊

### What a Great Group

Last Sunday was rehearsal #2. Once again you humbled me by your willingness to work and to build a new community of those getting ready to present #72. I want to say to the new people that we were all new once. There may be numbers that make you wonder why you are there, but you are there because you love to sing and TRUST me. You will be ready on 11/24

### October 13<sup>th</sup>

We will take apart the hardest choruses so this is definitely the Sunday to not miss. If you are a veteran, you are a big help to those that are fairly new. Part of being a community is to help others to get to where you are, and I know you will do this. After Sunday, anyone new will need to get with me. They would have missed 3 and that is a lot to be able to be a part of a team that has worked very hard to date. 😊

### Belk Sing

If you haven't signed up yet to sing at Belk on 11/9, you can do that this Sunday. It is lots of fun. We sing a few well-known choruses, and it is great advertisement for the group. More about dress Sunday. Sign up! 😊

### Need to practice at home?

This is the perfect time to work with the study CD you have. You can also practice with the websites I sent earlier this week. Whether you sing at the red lights, or hum it in your doctor's office, take that CD with you.

### This Sunday!

We will share with you how to publicize the event with fliers, invitations, social media, yard signs, TV & Radio, Jeh Jeh, and even more. This is the fun part of being community. You will like this!

### Schedule this Week
