

Alabama Civic Chorale

Bebe Clark Kok, Director

Dear Alabama Civic Chorale Community,

With deepest gratitude, we **thank you for always helping us meet our campaign fundraising goal.** We are consistently overwhelmed and amazed by the wonderful and generous support of each and every member of our donor community. We are a 501(c)(3) organization. Those who give to support this organization are listed in our annual performance program.

Thank you so much for sticking with us— we can't wait for what's ahead. From the 74th presentation of Handel's Messiah on November 21st at 3 pm, to serving the community with small concerts and service to others we have a great year planned ahead. It is with your help that this is accomplished.

Please use the links on our website to donate and help our mission move forward!
